Nebraska City Sept. 23rd

Prof. Chapman

Your letter was received,
some days since, but the package was
somehow delayed until day before yesterday.
The cents are quite satisfactory, as I have
none of them. Much obliged. If you have
a S. Carolina cent, or indeed any of
the Southern cents, I would be glad to
know their value. Wish I had one, but
I foolishly parted with it. I mean a S.C.
one. I have many of the early cents,
and all save of the U.S. issues since
the 1793 which puts it high price, I
fear I shall have to be content without

Yours respectfully
Chas James H. Taylor
